

Stratheden House  
Sept 2/44.

My dear Sir

I thank you  
very much for having  
mentioned my work to  
Lord Francis Egerton.

I have finished my  
Life of Lord Pleasance  
and shall have great  
pleasure in showing  
it to you. You will  
see I have concluded  
with a wish that must  
be generally felt - that  
the family honours may

be speedily restored to the  
present representative  
of the family.

I am much obliged  
to Lord Francis for  
his kind offer. but  
I think I have already  
got all that is necessary  
for my purpose -  
although much may  
remain to be  
examined for your  
greater work.

I remain

Yours very faithfully  
Campbell  
T. Payne Collier Esq
